

Bourne Parish Survey: St Martin by the Green Church

Can you help shape its future?

We are seeking the views of residents within the Bourne to help shape the future of St Martin's Church and to ensure it can be an ongoing fruitful resource for the community.

Built in 1904, St Martin's is used today by a small congregation of local residents, hosting regular Sunday morning worship services and Wednesday Coffee mornings. The church is funded and maintained by the generosity of Bourne parishioners. We are currently seeking views on how best to utilise this beautiful space. We hope to establish a plan for St Martin's that greater reflects the needs of the community that surrounds it. Please help by sharing your views.

Please tick the relevant box(es).

Alternatively, you can submit an online version here:
